We, hire equipment company has an experience and dedicated management crew to carry out quality service to our patrons.

## Managing Director Message

Progress for me has never been a dream. It has always been a distant reality and once one milestone is achieved, there is always another one waiting to be crossed. It is with this belief that I started SS Construction in 2015, a company that was in the business of Construction work (Civil & Mechanical) and Heavy Equipment import, sales & Rental services. Almost instantly, SS Construction became a prominent name in its business segment, but like every entrepreneur sticks to their dream, I always wanted to push my company to more prosperous milestones. More than being a global player, I always perceived my company as a unit that could make a difference with its quality and excellent heavy equipment machineries.

Overcoming challenge after challenge with the support of my brilliant team, I have been successful in bringing SS construction to a new milestone of global recognition.

The journey of SS construction is never ending. But with the support of my team and clients, I am confident that the company will continue to scale milestones of excellence for years to come.

Md. Sariful Islam  
Managing Director  
SS Construction

## Deputy Managing Director

For almost 6 years SS Construction has emerged of heavy equipment sector and offers the best price in our heavy equipment machineries. In SS Construction our team members collaborate as family members.

With highly versatile teamwork and their skill developed a vast client portfolio and spanning successful brands in construction sectors. We are very happy that SS Construction has the best team who works as a family and they come with rich experience in construction sector in Bangladesh. Our strength is developed by our unique ideas and values,

Our team is happy to answer your question about our services. We always welcome a call or meeting at a convenient time for you to learn more about our product/service also welcoming you to our office for a better understanding between us.

SS Construction not only improve processes but also gain the success of your business.

We stand by the Motto; Clients Success is Our Success!

Md. Abdul Hannan  
Deputy Managing Director  
SS Construction

## About Us

From a humble beginning in 2015, SS Construction has become a trusted name in the fields of Construction & Logistics business in Bangladesh over the past decade. What started with one small office room with just one office staff, today SS Construction spans its wing across the whole country.

Under the visionary leadership of the managing Director, Md. Sariful Islam has become a well established and renowned Corporate House in its field of operation in Bangladesh. Today, SS Construction is one of the trusted Multi Dimension Construction & Logistics Service Provider in Bangladesh. The Construction & Logistics management is the part of supply chain & development management that plan, implement, and control the efficient, effective forward, and reverses flow and storage of materials, construction, services and related works between the point of origin and the point of consumption in order to meet customer's requirements.

### **Speciality**

We provide hassle free and quick service to our clients in their entire requirement and maintain a pre-selected pool of workers, based on their qualifications, experience and attitude towards their work.

### **Our Mission**

To provide the right thing for the right job on time beyond client's expectations and manage our business with veracity and highest ethical standards while acting in a socially responsible manner, with emphasis on the well being of our teammates and the society we serve.

## **Our Vission**

To emerge as a significant organization by fully utilizing the strength of professionalism experience and expertise and to be respected by the government authorities and clients in term of A-Class services, work quality, efficiency and reliability.

Every Individual is a special treasure. We find it in them and steer it in the right path.

Our Managerial team is a highly motivated, experienced and client-focused, highly committed, sincere and dedicated which provides the best service to our clients and employees. We concentrate in continuously working and improving quality and delivering our utmost service.

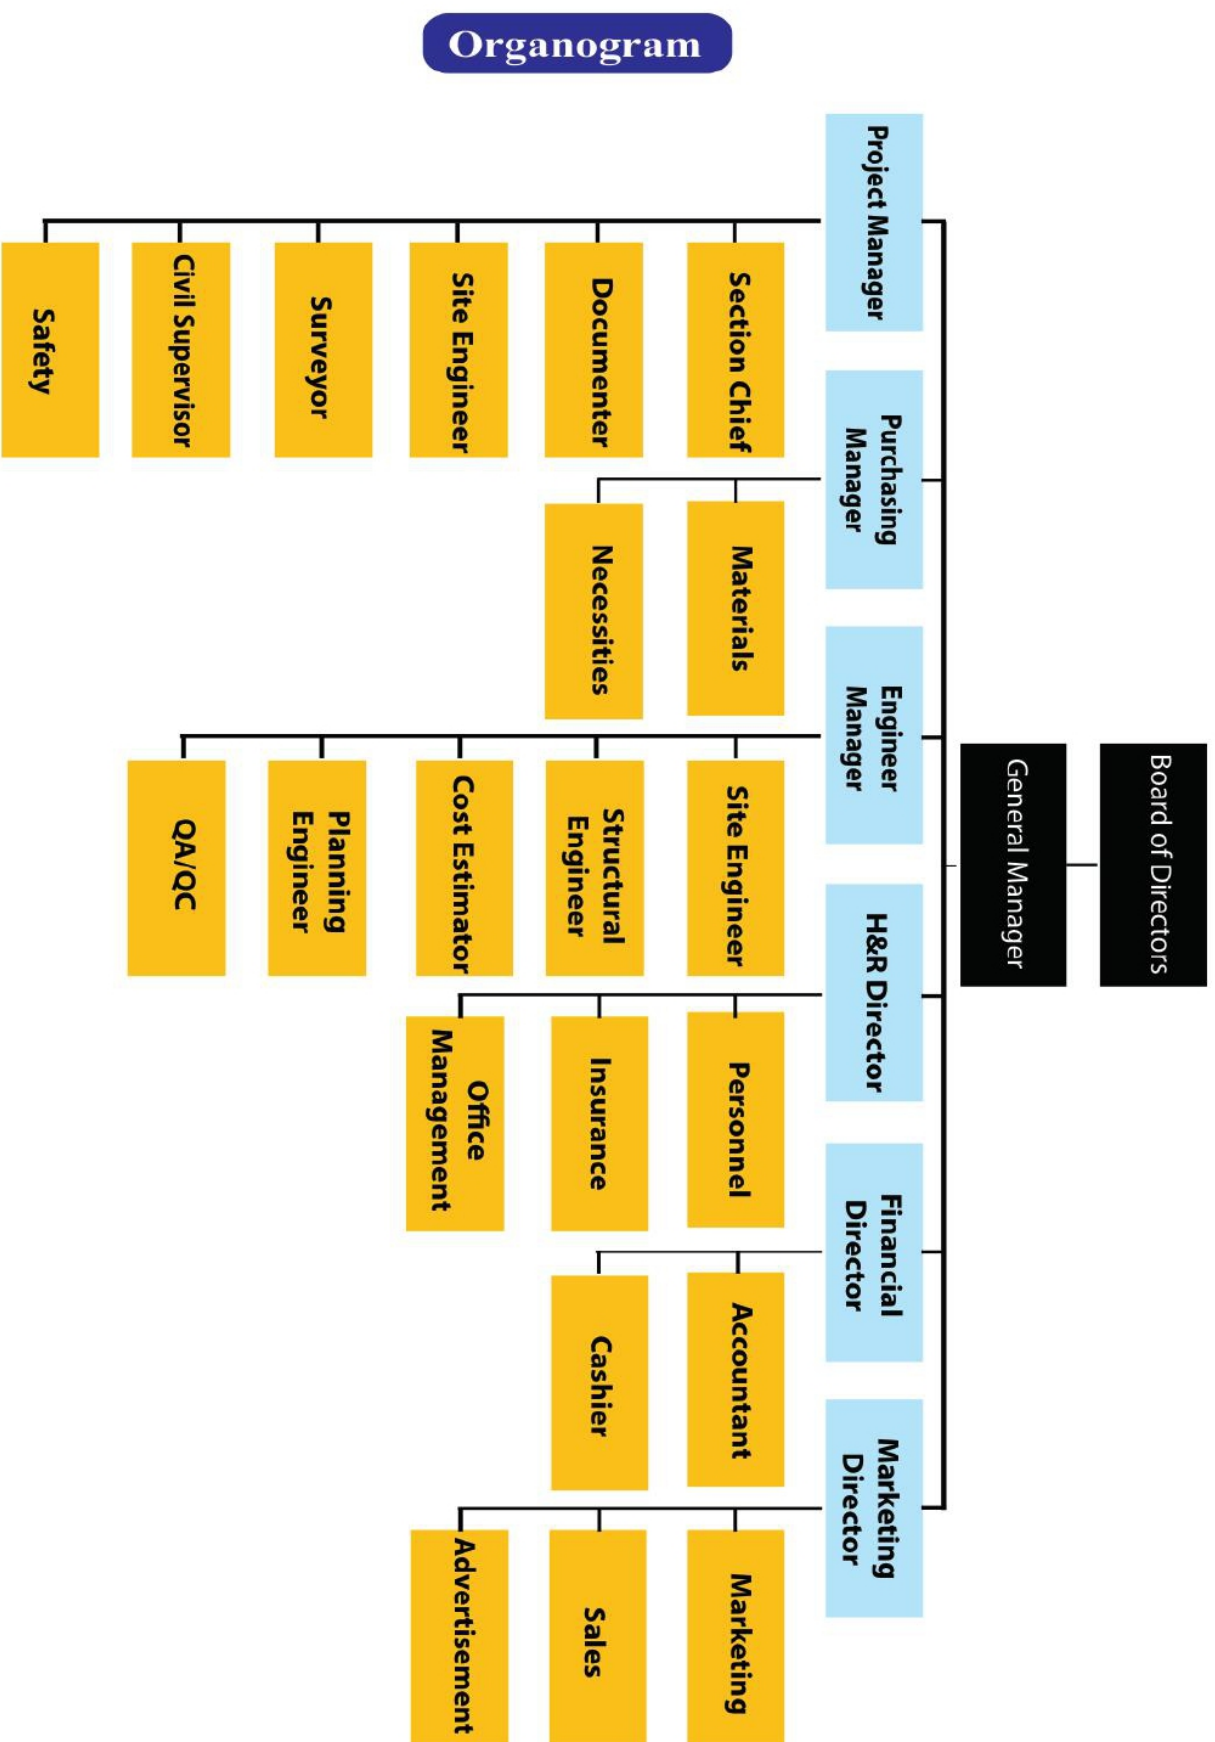

Our focus now is on providing services to SS Construction which is dynamic, diverse and growing. We intend to meet the increasing demand of work scope in the SS Construction, especially in the supply of equipment and contracting field. We have an extensive range of heavy equipment's and skilled and unskilled workers for the industry.

### Scope of Work are as follows

SS Construction has identified the following focusing areas of business:

- ★ Heavy Equipment Import
- ★ Heavy Equipment sales
- ★ Heavy Equipment rentals
- ★ Machine spare parts
- ★ Civil Works
- ★ Road Works
- ★ Building Works
- ★ Earth Feeling
- ★ Piling Works
- ★ Bridge Construction
- ★ Grader Works
- ★ Welding Work
- ★ All kind of excavation work
- ★ Back filling work.
- ★ Sand filling Work
- ★ Supply of washed sand, plaster sand, aggregate and sub-base.

Our work force consists of labours, fabrications, welders, experience heavy duty mechanics, electricians, heavy machinery operators, heavy and light vehicles drivers, foreman and others office staff. We are specialized in the area of heavy machineries, transportation and earth works.

## **Equipment Rental Services**

Our Equipment's Sales & service business which complements our equipment rental business, involves the trading of both new and used cranes and aerial lifts. We also undertake sale and distribution of spare parts for cranes and aerial lifts. Through the constant upgrading of our workforce and our machines, we continue to deliver safe, cost effective and reliable lifting solutions to our customers worldwide.

We are a leading heavy lifting services provider in Bangladesh, and we focus on the mid-to-high lifting capacity segment which are deployed for larger projects and serve mainly customers in the infrastructure and geo-technical, construction, offshore and marine, oil and gas industries. Our core business activities are the equipment rental business and trading business. Our equipment rental business comprises the rental of cranes and aerial lifts. Our crane rentals are typically on wet hire (with operator),
